What is iskuul and how do I use it?

iskuul is an online learning platform offering structured **Maths and English lessons for Years 1-11**, mapped to the UK National Curriculum. All content is **accessible 24/7**, with interactive online lessons, practice worksheets, and printable reading and spelling worksheets for offline practice. Built-in progress tracking shows parents exactly how their child is getting on.

What skills will children gain from these exercises?

Reading Comprehension

Number & Arithmetic

Problem Solving

Grammar & Vocabulary

Further Activity Ideas and Suggestions

Head over to the **iskuul Parent Hub** to browse the full library of online lessons and download printable reading and spelling worksheets. Try a free **Placement Check** to see which year group and level best suits your child, or track progress week by week with the **iskuul Learning Log**.

Bonus Reading: Confidence & Kindness Books **1-MONTH+ SUBSCRIBERS**

Families who take out a subscription of one month or longer also get access to iskuul's collection of children's books on **leadership and dealing with bullying** — gentle, age-appropriate stories designed to help children build confidence, resilience and kindness alongside their Maths and English learning.
